**Presentations/Workshops by the TRG**

If called on to do so, the TRG will assist in educating the SHC on issues in the form of presentations and/or workshops. The subject matter and schedule for presentations and/or workshops will be determined by the following guidelines:

- (1) Presentations will normally be held immediately prior to the regularly scheduled SHC meetings. If other dates and times are planned, they shall be approved by the SHC or the Process Subcommittee (if this method is selected by the SHC);
- (2) The subject matter and format of the presentations may be selected by the SHC during the “Other Business” portion of the regularly scheduled SHC Meetings, or by the Process Subcommittee at a separately held meeting (if this method is selected by the SHC);
- (3) The SHC (or the Process Subcommittee) shall also select the person (or persons) from the TRG that will be asked to make the selected presentations. These individuals will be notified by the Executive Director of the SHC’s desire for a presentation. The Executive Director will notify the SHC whether the person accepts or declines the invitation;
- (4) The SHC, or the Process Subcommittee, will notify the Executive Director of the time, date, and place of any scheduled presentation or workshop. The Executive Director will notify, via e-mail, all stakeholders with pertinent information regarding the presentation or workshop. If the presentation or workshop is scheduled for the same date and place as the regularly scheduled SHC meeting, the presentation or workshop will be included on the agenda for that SHC Meeting; and,
- (5) Attendance by SHC members at any presentations or workshops held outside the regularly scheduled SHC Meetings is encouraged, but not mandatory. All presentations or workshops shall be open to all SHC members, all stakeholders, and to the general public.
